HOUSING ASSOCIATION**

WELCOME

The festive season is almost upon us and so it's time for me to welcome you to our special Christmas edition of Citizen's News for 2025.

As ever 2025 has been a busy year with lots going on here at BCHA. Our summer fete and the warmer weather feels a long time ago now, but we're already thinking about and planning activities for 2026. We're looking forward to sharing some of the ideas with you in the Spring edition of Citizens News.

With the arrival of winter we have been working hard on arranging vaccinations to help keep us all as well as possible.

Finally, we'd like to wish everyone a very Merry Christmas and Happy New Year!

Marie Taylor

Marie Taylor Chief Executive

LOOKING BACK AT

Here's some of our highlights and memorable moments from this year:

ENVIRONMENTAL HEALTH INSPECTION

We're really pleased to be able to share with you our results of our recent Environmental Health Food Safety inspection.

The ongoing hard work by Charles and the team means that we have again received a 5 star rating for food safety and hygiene.

Charles and the team are always working on the menu choices for you, so you can look forward to some old favourites and some new and exciting recipes.

YOUR FEEDBACK ABOUT OUR SERVICES

Your views matter and hearing from you about the things that we do well and those things we could do even better is really important to us at BCHA. To help us with this, we run resident satisfaction surveys so you can tell us how things are for you and share your ideas about how we can improve services. In this years' survey it was great to hear that:

- 91% of you are satisfied or very satisfied the service provided by BCHA

- 96% satisfied or very satisfied with our repairs service
- 91% of you are satisfied or very satisfied that we provide you with a home that is well maintained
- 91% of you are satisfied or very satisfied that we provide you with a home that is safe

YOU SAID, WE DID

- We improved the payment system for laundry at Oak Way, removing the need for tokens and making the process simpler for tenants.
- We worked with tenants to enhanced the appearance of the external walkway flooring at Bedesman's House to create a cleaner, more welcoming environment.

KEEPING EVERYONE SAFE

- We fitted door closers to resident room doors at Charter House. Although not required, this extra measure adds an additional layer of fire safety.
- We installed backup batteries for the sprinkler systems at Charter House and Oak Way House, ensuring they remain operational and resilient in the event of a fire or power failure.

HAVE A SAFE AND HAPPY CHRISTMAS A COUPLE OF THINGS TO REMEMBER

We want everyone to have a safe, as well as a happy, Christmas so please be fire safety aware with your Christmas decorations.

Here's a quick fire safety checklist to help:

Lights - Check Christmas lights are in good working order. All lights, new and used, should carry the British Safety Standard sign. If yours don't, buy some that do and recycle your old ones. Any lights not working properly need to be replaced.

Decorations - Never place candles or a heat source near your decorations or any other materials that can catch light easily. And don't attach decorations to lights or heaters as they can burn easily. Never leave a lit candle unattended.

Christmas trees - Whether your tree is artificial or real, it can be a fire hazard. Keep it away from heat sources and keep a fresh tree watered so it does not dry out, making it more of a fire risk.

Electricity - Don't overload electric plug sockets and always switch lights and appliances off at the wall before you go to bed.

CHRISTMAS QUIZ

Here's our Christmas quiz - just for fun (the answers are below)

1. In the Dr Who Christmas special in 2017, which actress made her first official appearance as the 13th Doctor?
